I think we can just present the residential scenarios.

Thanks!

Hi Trish,

I think that would be easy enough to do. Would you want us to keep the occupational scenarios related to the pet uses? Or are you asking us to just present the residential scenarios?

Hi Kelly, Mike –

Thank you for this. As this assessment is being used to address the NRDC petition, we were wondering if it would help to consider having a document that solely focuses on the pet uses?

Hi Kelly, Mike –

Would PRD and OGC be able to take a look at an early copy of the pet-use risk assessment?

Thanks!
